Pat Sloan's Teach Me to Machine Quilt Learn the Basics of Walking-Foot & Free-Motion Quilting

Bothell, WA — Well-known teacher, designer, and online radio host Pat Sloan teaches all you need to know to machine quilt successfully. In the third book in her beginner-friendly “Teach Me” series, Pat guides you step by step through walking-foot and free-motion quilting techniques. Pat covers all the information you need to get ready to quilt, then guides you through simple and fun practice projects, including a strip-pieced table runner and an easy appliqué design.

About the author

Pat Sloan of Herndon, Virginia, is a quilt and fabric designer, a best-selling author, and the host of the well-known online radio show American Patchwork & Quilting Radio. She made her first quilt in 1979 and has created more than 600 projects. Pat has an active blog and also hosts several Internet quilting groups. Visit her at PatSloan.com.

Pat is available for interviews and appearances. To schedule a media appearance, interview, demo, or book signing, contact kjohnson@martingale-pub.com. Photos are available at martingale-pub.com/product/catalogs_view.php.

About Martingale

Martingale is an industry-leading publisher of quilt, knit, crochet, and craft books by top authors. Since its founding in 1976, the company has sold more than 21 million books worldwide. Martingale and its imprint, That Patchwork Place, produce books distinguished by their carefully edited instructions, detailed illustrations and how-to photos. In 2007, Martingale became 100% employee-owned. Eighty percent of staff members quilt, sew, or craft in their spare time. Martingale is staffed by enthusiastic people dedicated to their crafts and to its corporate mission: provide quality products and service to inspire creativity.
